

Clear Skin™ Topical Blend

with CPTG® Essential oils
rosewood, eucalyptus globulus, geranium,
lemongrass and melaleuca

Product Description

dōTERRA® Clear Skin Topical Blend is formulated with CPTG Certified Pure Therapeutic Grade® essential oils and black cumin seed oil, each specifically targeted to improve the texture and tone of skin. Beneficial properties include controlling overactive sebaceous glands, soothing irritated skin and assisting in cell rejuvenation. Clear Skin Topical Blend successfully creates an unfriendly environment for bacteria and microbes without drying out skin and promotes healthy and clear skin. It's the answer to troubled skin.

Concept

Troubled skin affects much of the population from adolescents to mature adults. Although the exact cause of problematic skin is unknown, several factors such as hormones, environment, heredity, stress, and diet all play a role in skin problems and irritation.

Many products on the market today claim to help improve troubled skin but end up stripping excess sebum using alcohol or other harsh chemicals which ultimately have an adverse effect causing irritation and an uneven complexion.

dōTERRA Clear Skin Topical Blend contains CPTG essential oils and black cumin seed oil which are beneficial for the skin not only for their therapeutic properties, but also because they are soluble through lipids in the skin for perfect absorption and effectiveness. The CPTG essential oils contained in Clear Skin Topical blend help regulate sebum levels and soothe irritated skin, resulting in a noticeably smoother and clear complexion.

Primary Benefits

- Improve skin's tone and texture, specifically targeting blemishes
- Helps maintain moisture balance while effectively managing over-active sebum production
- Stabilizing properties help prevent growth of unhealthy bacteria and germs

What Makes This Product Unique?

- Formulated with CPTG Certified Pure Therapeutic Grade® essential oils for targeted, essential oil application
- Easy application for use all over problem skin areas or as a spot treatment
- Pure and natural ingredients for gentle yet effective results
- Formulated with dōTERRA's "NONE OF THE BAD" ingredient philosophy, meaning it does not contain artificial colors, diethanolamine (DEA), formaldehyde donors, parabens, phthalates, propylene glycol, sodium laureth sulfate (SLES), sodium laurel sulfate (SLS), toluene, or triethanolamine (TEA). Product not tested on animals

Key Ingredients

- CPTG® essential oils of rosewood, geranium, lemongrass, melaleuca and eucalyptus globulus soothe and aid skin cell rejuvenation and contribute to an unfriendly environment for bacteria and microbes
- Black cumin seed is an antioxidant that helps protect skin cells from internal and external factors
- Rosewood supports balancing overactive sebaceous glands and has an astringent benefit for clarifying skin

Who Should Use this Product?

Anyone struggling with adolescent skin imperfections at any age.

Directions for Use

After cleansing with Clear Skin Foaming Face Wash, apply sparingly to face and any troubled areas.

Cautions

Possible skin sensitivity. Keep out of reach of children. If pregnant or under a doctor's care, consult your physician. Keep out of eyes. Do not apply in ears or nose. Dilute with fractionated coconut oil to calm any skin sensitivity.
